

Weekend Fit For A King

Queen's Birthday
long weekend
Sat 10 + Sun 11 June, 2017

Be the first to taste new-release wines, and talk to the winemaker about this year's vintage. They may even pull out a special wine they've been keeping for an occasion like this.

Taste

alongside the winemaker

Grab a picnic basket and make your way around our farmgates to explore what we produce. Bring walking shoes to venture to a lookout and take in the exquisite valley and mountain views.

the richness of the King Valley

From tasting plates of local produce, to family-favourite recipes, long degustation dinners and indulgent desserts, there are plenty of options to match to a glass - or bottle - of King Valley wine.
